Overwatch

(Scenario A)

End of each Round: The player with initiative chooses 1 of their opponent's figures and rolls 1 clear die. That figure suffers ⚙ equal to the ⚙ results. Then, the other player does the same. Any HP gained this way are gained by the figure that rolled the highest number of ⚙.

Then, each player gains 2 VPs for each tactical position they control.

Go Our Way

(Scenario B)

Setup: Before deployment, each player divides their army into two squads. Then, each player assigns one opponent's squad a face down yellow neutral mission token, and the other squad a face down green neutral mission token. Then, simultaneously reveal the tokens. Each player deploys the green squad in normal but sets aside the yellow squad.

End of Round 1: Each player deploys their yellow squad in a gap of 8 inside their opponent's deployment zone.
